Good Things from Dr. Heatley

Congratulations to:

- **Sonam Malhotra of Ayala HS** for being elected to the office of Historian/Reporter in the California Association FHA-HERO for the 2009/10 school year. As a state officer, she will represent the State Association at region, station & national activities as well as other statewide meetings.
- **Cameron Rehm** who was selected as the male spring 2009 CIF Spirit of Sport Award winner. Cameron is a senior at **Ayala HS** & a member of the water polo and swim team. The CIF Spirit of Sport Award recognizes students who live the ideals of Pursuing Victory with Honor in their lives & athletic endeavors.
- **Eugene Laksana**, an 8th grade student at **Townsend Junior High School**, who advanced to the California **State** Science Fair. His entry – the Impact of OsteoPhase and Herbal Extracts on BMD Preservation – won a gold medal in the 27th annual Inland Science & Engineering Fair. Also winning in the regional competition at the elementary level grades 4-5 were: Noah Lee (4) **Cattle**; Joshua Haskell (5) **Eagle Canyon**; Athena Contreras (5) & Ryan Campos (4) **Liberty**; Vanessa Ramirez (5) **Litel**; Alec Burns (4) & Eric Vaughn (4) **Newman**; and Jordan Huynh (4) Taylor Chou (5) & Elizabeth Kort (5) **Oak Ridge**. The winning students in the Junior and Senior Science Fair Entries (grades 6-12) were: Ariana Seymore (7) **Canyon Hills**; Amanda Carrillo-Perez (6) **Eagle Canyon**; Austin Welch (6) & Nelly Wilson, **Litel**; Hallie Dickenson (6) **Newman**; and Beverly Laksana (6) **Oak Ridge**.
- The Activities Directors at **Ayala – Debi Weiss**, **Chino Hills – Janet Roberts & Don Lugo – Connie Weeks**, for being named Outstanding Activities Programs by the California Association of Directors of Activities & California Association of Student Leaders.
- **Nancy Harms, Associate Superintendent of Educational Services & Cathy Kelley of the Program Improvement Office** for being presented with a Multi-Lingual Recognition Award from the San Bernardino County Office of Education.
- Nine schools who reduced their electrical usage by 30% or more during the Spring Break “Unplugged” effort. Efforts continue to **conserve energy** & cut costs at our schools & offices. The District avoided electricity costs of over \$12,000.00 over the 9 days of Spring Break by unplugging non-essential items. We applaud the efforts and encourage all sites to keep finding ways to reduce energy consumption.
- To Don Lugo HS on the groundbreaking for the stadium at **Don Lugo High School**.

Update: When student enrollment boundaries were redrawn to accommodate the shifting student population earlier this year, some Newman Elementary students who live north of Philadelphia Street were slated to move to Marshall Elementary School. We reviewed that decision and have rescinded that change so those students will remain at Newman Elementary School.
